The **Neptune 5 Watt LED** Wood Path Marker is a classic wooden path marker incorporating the latest in LED technology.

With its beautifully designed and cut angles this path marker looks fantastic when viewed from any angle and makes an impressive addition to any project. The Path Marker is ready for connection to either AC mains power supply or our Mercury solar power management unit, which provides a flexible lighting solution where mains power is not available or desired.

The Path Marker can be used to provide lighting for applications ranging from gardens, playgrounds, paths, walkways, drives and car parks.

Specifications: Neptune 5 Watt LED Wood Path Marker

Input voltage AC	230V AC 50Hz / 110V AC 60Hz
Input voltage DC	12 VDC
PowerConsumption AC	7 Watts
PowerConsumption DC	7 Watts
Operating temperature	-20 degrees C to + 70 degrees C
Total LEDoutput	5 Watts
Correlated colour temperature	4500 to 8000 degrees K
LED Lifespan	Typically 80,000 hours
Turn on time	100ns
Unit colour	Wood
Weight	4Kg
Unit Size	Height 800mm / Width 90mm
Lead Length	6 ft / 1.8m (Standard)
